**PLEASE** be sure to buy extra pencils and glue sticks while they are on sale before school begins. We will NOT have "community supplies" in our classrooms. Each child's "extra" supplies will be placed in a ziploc bag and kept for only them to access throughout the year. **PLEASE** write your child's name on ALL supplies.

Over the summer, **PLEASE** find time to work with your child on reading, letters and sounds, practicing sight words, counting and number recognition (0-100). Please remember to fill out orange reading calendars through the summer.

You may want to search for and send a friend request to your child's teacher's classroom Facebook page this summer. It is **ONLY** open to parents. (**Phillips Gilge, Phillips Beard and Phillips Olson**). We use our classroom Facebook pages for parent communications, photos, notifications and reminders. Can't wait to meet you in the fall!
