

Welcome to 3<sup>rd</sup> Grade!!

My name is Mrs. Kasey Phillips and I will be your child's third grade teacher this year. The third-grade team is planning a lot of fun and exciting things for your child. To help your student prepare for the upcoming school year, I strongly encourage your child to continue reading and writing this summer. It is also a great idea to continue practicing your addition and subtraction facts. It's important to stay sharp and strengthen your skills.
