

Dear Future 5th Graders,

I just wanted to send quick hello to let you know that you will be having me, Mrs. Calzavara (Miss Vyskocil), as your 5th grade teacher next year! I am so excited to get to meet you all face to face in the fall! I have included our supply list for the upcoming year. I know it seems unusual to have so much glue, but we do a lot of cutting and gluing in my class. You boys and girls will find out soon enough that I LOVE to include crafts in the classroom.

I hope you all have a wonderful summer. If you have any questions throughout the summer, please feel free to email me at mavyskocil@phillips.k12.wi.us.

I look forward to meeting you all in the fall!

Your 5th Grade Teacher,

Mrs. Calzavara
