

Meet the Third Grade Team

We are the third grade team and are so excited to be your child's teacher next year!

Hi My Future 3rd Graders,

I am Ms. Schellin, but come fall I will be Mrs. Rohde! This will be my fourth year teaching in the Phillips School District, but my first year teaching third grade! I taught first grade when you were in first grade! It's going to be an awesome year! My fiancé's name is Drew, we will get married in July! I recently built a new house and am getting my first puppy this summer! In my free time I enjoy playing volleyball, being outside, going on four-wheeler rides, playing with my dogs, eating good food, and spending time with my friends and family. I am very excited for our year together!

Hello Future 3rd Graders!

I am excited to learn with you this year! My name is Mrs. Pierson. My house is very busy with my husband Josh, daughter Evelyn (1 year old) and a golden retriever Shimmy, a cat Ghost and two classroom guinea pigs, Saratoga and Seneca. Over my 10 years of teaching, I've been a 2nd grade, 4th grade, preschool teacher and now I will be enjoying my 4th year at Phillips in 3rd grade. I enjoy crocheting critters, reading with Ghost on my lap, taking

Shimmy for runs and exploring life with Josh and Evelyn. It's going to be a spectacular year!

Hello 3rd Graders!!

I am very excited to have an amazing year of learning with you. I am very passionate about helping students learn and grow. It is also VERY important to me that each student knows I care about them as a person. This will be my fifth year teaching third grade here at PES. I live with my wife, Diana and son, Colton. I enjoy hunting, fishing, gardening, cutting wood, making maple syrup and raising animals. Another thing that I would like to do is learn to play the guitar. I am excited to take our journey together next year and can't wait to spend time with all of you!!
