

SCHOOL – COMMUNITY/Parent Involvement Policy

333/813

It is the policy of the Phillips School District to enlist the assistance of parents and families whenever possible in formulating and carrying out the education programs for the success of children. Parent involvement is critical to the educational success of children. To encourage this involvement, all individual Board and staff members are expected to promote open, friendly, and personal communication with all District parents and families.

Approved: 08/18/97

Revised: 12/21/98
