

## **FUNDING FOR REGIONAL/STATE/NATIONAL CLUB EVENTS 378**

Academic and school-sponsored clubs in the School District of Phillips are recognized as vital parts of the total educational program offered to students.

Academic and school-sponsored clubs are designed to give many students an opportunity to develop their interests, attitudes, and skills for future years. These clubs should provide enjoyable experiences whereby the emotional, mental, social, and/or physical development of students can be fully achieved.

These clubs may have the opportunity to participate in regional, state and/or national competitions. The funding of those competitions will be as follows:

- A. Regional Competitions - Funded in full by the District
- B. State Competitions - Funding may be granted from the District following a formal request from club to the appropriate school board committee
- C. National Competitions - No funding from the District, students would be allowed to fundraise
