

Qualifications:

An applicant to teach in any of the schools within the School District of Phillips must have satisfied the requirements of the Department of Public Instruction and hold a certificate from the Department showing acceptance for the position sought.

Appointment:

The Superintendent of Schools shall interview and nominate to the Board qualified persons for appointment to positions which are vacant or created.

Assignment or Transfer:

The Superintendent of Schools, with the aid of his supervisory staff, shall assign and transfer all instructional and non-instructional personnel. He/she shall make recommendations to the board for the promotion or dismissal of any instructional or non-instructional personnel.
