

## **EMPLOYMENT OF PROFESSIONAL ASSISTANCE**

**672.1**

1. It is the policy of the Board of Education to obtain and use, when feasible, competent professional advice in the preparation, planning, and execution of any project involving capital expenditures.
2. It is the policy of the Board to solicit bids or quotations for such projects on the basis of drawings, plans, and specifications which clearly outline and detail the purpose, extent and scope of the work and the results to be expected in any finished project.
3. The Board of Education reserves the right to evaluate and accept or reject any and/or all bids.
