

LATE BUS GUIDELINES AND FEE REQUIREMENT POLICY 751.1

Late bus route(s) in addition to a drop off point in Catawba, will be considered by the Board if sufficient ridership can be maintained.

A late bus will be provided to a single drop point in the Catawba area for students participating in the After School (CLC) program.

Late bus transportation will be provided to students grades 6-12 provided there are at least ten (10) students signed up by 8:30 a.m. and they are participating in school-sanctioned, after-school activities. Students who sign up and do not ride the late bus will be assessed a \$10.00 fee that must be paid before they will be allowed to sign up for future late bus transportation (exception may be made by principal for students who get sick during the day and other extenuating circumstances resulting in the student leaving school during the day).

Parents are responsible to pick up their student at the designated drop off point in a timely manner. Failure to be prompt in picking up a student may result in forfeiture of late bus riding privileges at the discretion of the principal.
