

WEAPONS ON SCHOOL PREMISES

832

No person shall possess or use a weapon on School District of Phillips premises including school buildings, district owned vehicles and school buses, athletic fields, transportation garage and applicable school forests as determined by board policy 834.

Students who violate this policy will be subject to board policy 443.6.

Employees who violate this policy will be subject to appropriate response by the District, including district employee discipline procedures and referral to law enforcement officials.

All other individuals who violate this policy shall be subject to appropriate response by the District, including referral to law enforcement officials.

A weapon may be defined as any object possessed or used that was designed or intended for injuring another person whether by accident or intentionally.
