Basic Structure

- Additional compensation is separate from annually negotiated compensation. (The current system of base pay and supplemental pay.)
- Employees cannot receive additional compensation in consecutive years.

- The attainment of points within a rubric will determine advancement.
- Accrual of points will be cumulative lifetime.
- Point accrual rubric will contain sections that are appropriate for every department of the school district's workforce.
- A digital portfolio is the preferred method to document qualification for additional compensation, however, a print form is available in the district office.
- Requests for additional compensation must be submitted to the employee's direct supervisor on or before April 1st of any given year in order for the advancement to be considered for the next fiscal year. (Example: April 1, 2017 for the 2017-18 school year). No requests will be accepted from a previous school year.
- Completion of all components of the additional compensation request must be completed on or before June 15th in order to be applied to the next budget year.

- Approval or denial of the request for additional compensation must be provided to the applicant in writing. The written justification of approval or denial must specify the supervisor or superintendent's reason(s) for the approval or denial.
- The superintendent will review all applications for additional compensation that were submitted to the direct supervisors. This review will determine if the direct supervisor's decision is to be accepted or rejected by the superintendent. All applications and the administration's written review will be presented to the Board of Education (appointed panel) on or before the April regular board meeting.
- Contracts or Intent to offer letters will be issued on or after May 15th and must be signed and returned on or before June 15th, or as otherwise guided by Wisconsin state statutes.
